The Coming Kingdoms

Daniel 2:31-49

Today we will complete our study of Daniel chapter two. Last week we looked at Daniel 2:1-30 where we learned that King Nebuchadnezzar had a dream. When all the wise men could not interpret the dream, the king ordered they all be killed. Daniel, however, prayed to God and God revealed to Daniel both the dream and its interpretation. For my sermon today, we will study Daniel 2:31-49.

1. The _____ . (2:31-35)
2. The First _____ . (2:36-38)
3. The Second & Third _____ . (2:12-13)
4. The Fourth _____ . (2:40-43)
5. The Final _____ . (2:44-45)
6. Daniel's _____ . (2:46-49)

Our Partners in Mission for May are the more than 400 members of the Arizona Karen (Kuh-RYN) Baptist Church in Phoenix. These humble freedom-loving people were driven from their homes by a ruthless government in Myanmar, formerly known as Burma.

Fleeing for safety to refugee camps in Thailand, they began immigrating to America earlier this century. Since 2008, our Mission Team and Foundation have helped support this dedicated group of Christians who have become a powerful witness for Jesus in the community.
